VISION: The trusted global authority on health care education

ECFMG		FAIMER
MISSION To serve the public by:		MISSION Through partnership and collaboration:
<ul style="list-style-type: none">• Assuring the qualifications of health care professionals• Providing primary-source verification of credentials of health care professionals, as they serve throughout the world• Supporting international medical graduates who seek graduate medical education in the United States		<ul style="list-style-type: none">• Conduct data analyses and research to inform policies and program development in support of ECFMG missions• Support the education of physicians and other health care professionals worldwide• Develop resources on the health care workforce used by global communities
VALUES		
Integrity and Trust We uphold the highest ethical standards and align our words with our actions.	Diversity, Equity, and Inclusion We embrace ethnic and cultural diversity, invite varied perspectives, and provide fair access and opportunity for all individuals.	Commitment We are passionate about our work and dedicated to meeting internal and external expectations.
Respect We value the contributions of others and treat one another with dignity.	Mindful Leadership We recognize that we each have a role in fostering a culture of collaboration, creativity, and compassion in the service of others.	Accountability We take personal responsibility for our own behaviors, performance, and decisions.
